Ward F Gathering #3: Connecting our schools & our communities:

Enough meetings! Let's have a party to kick-off the 2011-2012 year!
Come on over to Scona Pool (located in the west wing of Strathcona High School) to meet other school and community volunteers and share ideas for the upcoming year. Help plan awesome events for your school and neighbourhood. Let your family swim in the pool while you help organize the year ahead!

- What would you like to see our school board accomplish?
- What new activities should the board undertake?
- How can we make the most out of budget 2011?
- What feedback would you give your public school trustee?
- How can we strengthen relationships between our schools and our communities?

Event is FREE, but you MUST RSVP by Sept 19th for safety reasons!
